**You are invited
to join us
at our first meeting for 2019**

Come along and join us at our...

January Members Day in 2019

As part of the morning's activities members and guests are invited to share their stories on the theme of ...

Local family history

2019 ushers in the celebration of 160 years since the Separation of Queensland from New South Wales on 10 December 1959. That is when we all became Queenslanders!

Prior to Separation, though, there were many, many people who had settled in the inner western suburbs and who called the area which later became Toowong, home.

Descendents of some of these families are still living in the area today, and have had a lengthy association with Toowong.

At our next Members Meeting in January we invite members and guests to bring along stories of your family's association with Toowong.

Please come along and join in, regardless of the length of your family's period of association with Toowong, and tell us about your family's story.

Remember to check out the book sales table!

All are welcome

Where: Toowong Library, top floor, Toowong Village.

When: Friday, 25th January, 2018 from 9.30-11.30am

Please stay afterwards and join us for morning tea.
