Collecting Postcards Of Brisbane

**presented by
Alan McNaughton**

Alan McNaughton, President of the Postcards Collectors Society, will speak about "Collecting postcards of Brisbane."

Alan will use a small selection of postcards to illustrate the basics of postcard collecting and the origin of postcards, and then will show some general Brisbane cards before showing some with a local flavour.

The above photograph of Maryvale Street is off a postcard provided by TDHS president Ruth Sapsford. The postcard was written by Gwendoline Sapsford (wife of Newman —the last Newman) to a cousin in Wales. Ruth doesn't know why it didn't get posted.

The photo was taken by Toowong photographer Ada Mary Laughler, and the postcard was most likely sold at her sister Janie Laughler's haberdashery shop in Benson Street.
